

MY BIBLE PROPAGANDA SERIES - FALSE NELSON DARBY RAPTURE THEORY

MY DISCLAIMER

I want to make it clear to all of you that all though I attack the VERY CORRUPT Jewish and Roman Orthodox Catholic and Christian Church's (JROCCC) across the board for their crimes against humanity and their misinformation, disinformation and lies, I am a lover and follower of the REAL JESUS. Jesus has been misidentified by the JROCCC for over 2000 years. I AM SO SICK OF CHRISTIANS WHO HAVE BEEN SO MINDGAMED BY THE JROCCC IDEOLOGIES AND LIES THEY CANNOT SEE THE FOREST FOR THE TREES.

All of my life I have dealt with the CHRISTIAN FUNDAMENTALIST MOVEMENT enough to know that their beliefs and doctrines are FALSE and DIVISIVE. As a Sherlock Homes Bible Critic and researcher, I am more than schooled on how they misrepresent the Bible and how they take verses out of context to promote their Ideologies. I am well aware that fundamentalists and the Christian church in general has no idea that the gods of the Jews, Hebrews and other tribes in the Middle East were actually worshipping or under the control of aliens, or at least their leaders were.

Christians also do not realize that much of the Old Testament data is fictional. It is for this reason that we have to filter out data that is being taught by the Jewish and Roman Orthodox Catholic and Christian Churches (JROCCC) in an attempt to look at what was REALLY GOING ON in the Middle East from a historical and logical perspective. What is going on inside the JROCCC movement affects all of our lives today whether people attend their corrupted churches or not.

THE RAPTURE THEORY IS ALSO BEING HIGHLY DEBATED TODAY BECAUSE OF THE ASHKENAZI ZIONIST NWO DEEP STATE MOVEMENT THAT INFILTRATED THE JROCCC FROM THE VERY BEGINNING AND BECAUSE OF NELSON DARBY'S MISINFORMATION , DISINFORMATION AND LIES

The "false rapture theory" refers to the pre-tribulation rapture view, popularized by 19th-century Anglo-Irish theologian John Nelson Darby. This doctrine, a core pillar of Dispensationalism, asserts that [Christ will secretly return to whisk believers to heaven before a 7-year "Tribulation"](#).  Bible.ca +3

The Core of the Theory

- **Two-Part Return:** Darby's framework divides Christ's second coming into two distinct events: first, a secret "catching away" (rapture) of the church, and second, a public return with His saints at the end of the Tribulation.  YouTube · THE EMMAUS TABLE +4
- **Dispensationalism:** This theological system strictly separates God's prophetic timeline for the Church from His timeline for the nation of Israel.  YouTube · THE EMMAUS TABLE
- **Historical Origins:** Many scholars and critics argue this view of a "secret" pre-tribulation rapture was a novel interpretation, largely developed and systematized by Darby in the 1830s through the Plymouth Brethren.  Bible.ca +3

Why Critics Call it a "False" Doctrine

Many theologians, historians, and conservative Christian groups (such as the Churches of Christ) reject this theology. Critics often cite the following points: 

- **Historical Novelty:** Prior to the 1830s, the vast majority of historic Christian traditions and early church fathers focused on a single, visible second coming of Christ at the end of the world, rather than a secret, pre-tribulation departure. 
- **Textual Interpretation:** Skeptics argue that scriptures used to support Darby's timeline (like those in [Matthew 24](#) or [1 Thessalonians 4](#)) simply describe the single, glorious return of Jesus, His resurrection, and the gathering of believers. 

The Modern Debate

On forums like [Reddit's r/TrueChristian](#), opinions on the rapture are deeply mixed. Some believers maintain that the pre-tribulation rapture is a scriptural promise of protection, while others argue that Christians will face the tribulation or that the "rapture" coincides with Christ's final, post-tribulation return.

I agree with most of what Vlad Savchuk teaches on the Rapture.

2 Kings 2:11

And as they still went on
and talked,
behold a chariot of fire
and horses of fire
separated the two of
them.
Elijah went up by a
whirlwind into heaven.

The Rapture theory actually corresponds with ancient Middle East stories of ALIEN ABDUCTIONS all though the word used for these events in the Bible was "taken up" most of the time. The word "RAPTURE" does NOT APPEAE IN THE BIBLE.

THE BOOK OF EZEKIEL

- In the Book of Ezekiel, part of the Hebrew bible, a prophet has a vision of a flying vessel which is followed by fire, smoke and a loud noise. Some ancient alien theorists have argued that the vehicle's design closely resembles that of a modern spaceship. Rather than a divine intervention, perhaps the text describes an early encounter between humans and alien astronauts.

UFOS IN THE BIBLE?

ENOCH, ELIJAH, BARUCH, PHILIP, AND EZRA ARE SOME OF THE MANY BIBLICAL CHARACTERS WHO WERE TAKEN TO THE HEAVENS BY MYSTERIOUS WHIRLWINDS AND CHARIOTS OF FIRE. SOME NEVER RETURNED. WHERE DID THOSE MARVELOUS FLYING DEVICES COME FROM?

Despite what the JROCCC teaches, the Bible is a PIOUS FRAUD. We do not know what scribes wrote the Books in the Bible because they used FICTICIOUS NAMES in order to promote their works. I would suggest that you Google Bart

Ehrman for that data he has some fabulous data about how the JROCCC has lied to us about the Bible in general.

AI DATA ON BART EHRMAN

New Testament scholar Bart Ehrman argues that a significant portion of the Bible is "fraudulent" in the specific sense that many books were written under a false name, a practice known as **pseudepigraphy** or literary forgery. He contends that ancient people universally condemned this as lying and deceitful. [[1](#), [2](#), [3](#)]

Ehrman's Core Claims

- **Disputed Authorship:** Ehrman argues that about 70% of the New Testament writings were not penned by the individuals whose names they bear. [[1](#)]
-
- **The New Testament "Forgeries":** He identifies several epistles as pseudepigraphical, including 1 and 2 Peter, 2 Thessalonians, Colossians, Ephesians, 1 and 2 Timothy, Titus, James, and Jude. [[1](#)]
-
- **Contested Paulines:** While mainstream scholarship acknowledges some undisputed letters of Paul, Ehrman argues that six of the epistles attributed to Paul were written by later followers. [[1](#), [2](#)]
-

Why They Were Written

Ehrman maintains that these forgeries were produced to refine, mutate, or defend theological points. By attaching a famous apostle's name to a document, the anonymous writers sought to grant divine authority to their own specific beliefs or to combat differing factions within the early church. [[1](#), [2](#)]

How Scholars Spot Forgeries

Ehrman and other historians evaluate authorship by examining: [1, 2]

-
- **Writing Style & Vocabulary:** Assessing if the Greek phrasing matches other known authentic works.
-
- **Historical Context:** Determining if the situations mentioned in the text align with the alleged author's lifetime.
-
- **Theological Consistency:** Checking if the theological views reflect the known perspectives of the claimed author. [1, 2]
-

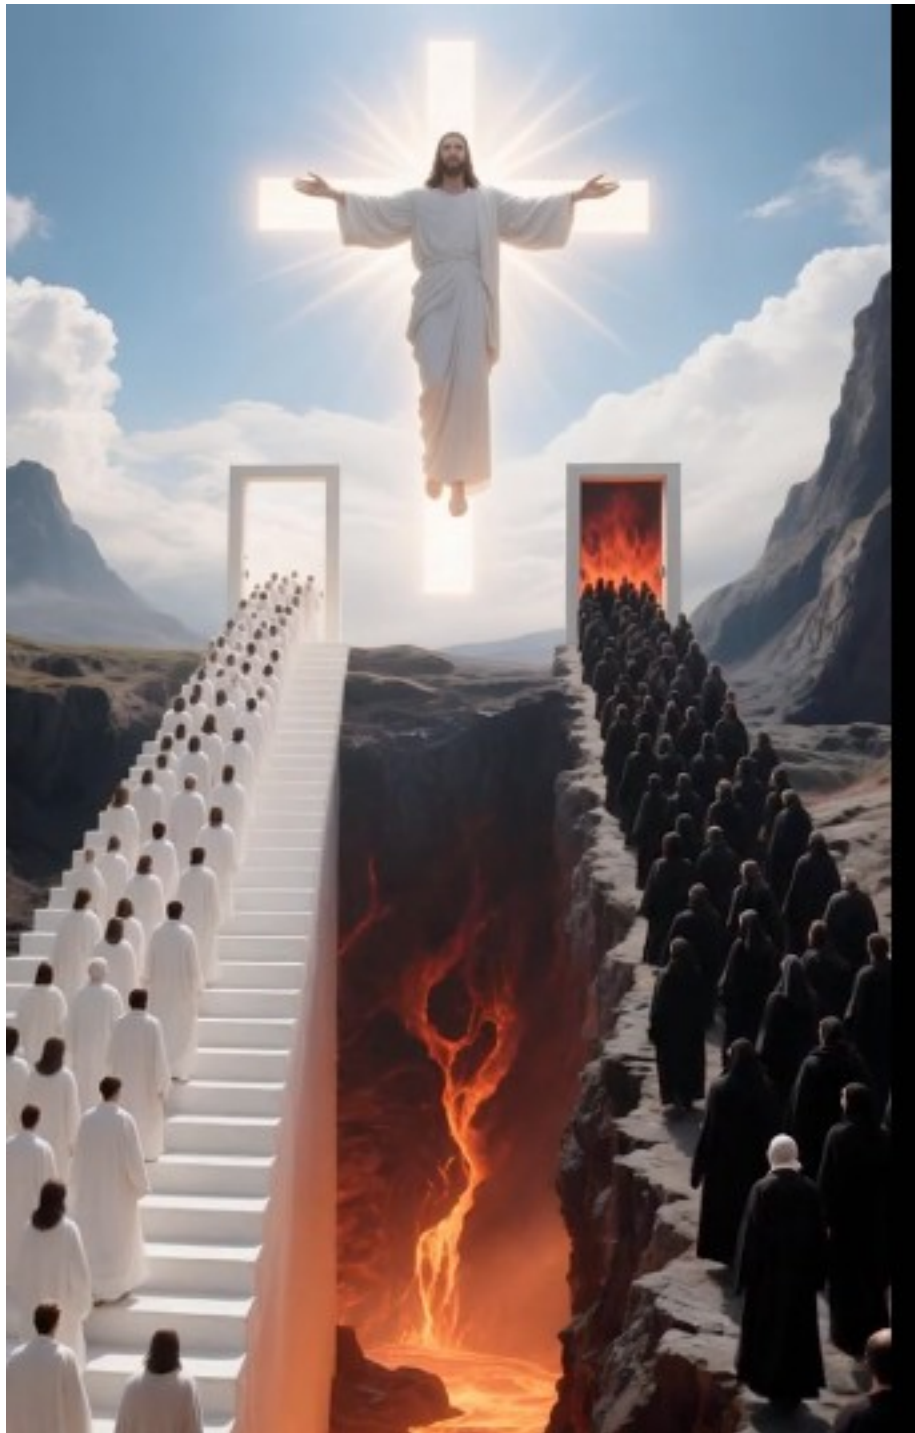

Scholarly & Public Impact

Ehrman's perspectives on the Bible can be explored through his published works, such as [*Forged: Writing in the Name of God*](#) and [*Misquoting Jesus*](#). While he champions this historical view, his claims remain highly debated by many conservative and moderate theologians who defend the traditional authorship and ancient definitions of pseudonymity. [1, 2, 3, 4]

Be very careful because the event at the End of the 7 Year Tribulation where Jesus returns to save and rule over his "Meek Who Will Inherit the Earth" is a different event than what the JROCC churches and Nelson Darby promote. The transitional event Jesus refers to does not happen before or during the 7 Year Tribulation Period. Jesus seems to have taught that the meek will go through the 7 Year Tribulation period we appear to be in today, while being protected by Jesus and his forces.

It looks to me like there may be a massive alien abduction of the serpent bloodlines featured on the elevator on the right. They represent those who do not have a relationship with Jesus or a belief in his teachings. It is possible that they are identified in the Bible as the "Dead in Christ" another highly debated subject. I think we can say that those in the white robes illustrate Jesus Elect who at some point are transfigured by Jesus and live on to become those who visit Jesus in the New Jerusalem UFO and also become the "Meek who will inherit the earth" under Jesus administration. Yes these spirit beings all seem to travel in UFO's. That is another shocker that has been deliberately kept from us for very devious reasons that have to do with the END TIME DELUSIONS OF MANKIND.

THIS IS WHO CREATED THE FALSE RAPTURE THEORY AND THE FUNDIMENTAL CHRISTIAN MOVEMENT HIS NAME IS NELSON DARBY.

What people do not know is that the ASHKENAZI ZIONISTS were involved in the formation of the Fundamentalist Zionist movement. Look at his face; he has the features of an ASHKENAZI ZIONIST aka a serpent bloodline DESCENDENT of the Tribe of Dan or the Tuatha De Danann thar migrated into the British Isles THEY were also known as the "sons of Cain."

HERE IS WHAT AI HAS TO SAY ABOUT DARBY

John Nelson Darby (1800–1882) was an Anglo-Irish theologian, pastor, and writer who fundamentally altered modern Protestant theology. He is best known as the father of modern **Dispensationalism** and the developer of the **Pre-Tribulation Rapture** doctrine. [[1](#), [2](#), [3](#), [4](#), [5](#)]

Here is a breakdown of his life, career, and lasting influence:

Early Life and Career

- **Elite Background:** Born in London to a prominent Irish family, he was named after his godfather, Admiral Lord Nelson. [[1](#), [2](#), [3](#), [4](#)]
-
- **Education:** He graduated from Trinity College Dublin in 1819 and initially trained as a lawyer. [[1](#), [2](#), [3](#)]
-
- **Anglican Ministry:** After a spiritual awakening, he abandoned law and was ordained as an Anglican priest in the Church of Ireland in 1825. [[1](#), [2](#), [3](#)]
-
- **Disillusionment:** He became disillusioned with the state church, believing it was too corrupt, political, and formal. He resigned his post in 1827 after the Archbishop ruled that Irish converts had to swear allegiance to the British Crown. [[1](#), [2](#), [3](#), [4](#), [5](#)]
-

The Plymouth Brethren Movement

- **Radical Shift:** After leaving the Anglican Church, Darby joined a group of like-minded believers in Dublin who met in homes to break bread without ordained clergy. [[1](#), [2](#)]
-
- **The "Brethren":** The movement grew rapidly, particularly in Plymouth, England, leading the group to be called the **Plymouth Brethren**. [[1](#)]
-
- **Core Beliefs:** They rejected formal church hierarchies, emphasized the "priesthood of all believers," and focused heavily on prophecy and the end times. Darby quickly became the movement's most dominant theological voice. [[1](#), [2](#), [3](#), [4](#)]
-

Theological Innovations

Darby is directly responsible for two massive shifts in how millions of Christians view the Bible today:

- **Dispensationalism:** He taught that God relates to humanity differently across seven distinct eras, or "dispensations" (e.g., the Age of Law vs. the Age of Grace). Central to this was his strict separation between God's plans for Israel and God's plans for the Christian Church. [[1](#), [2](#), [3](#), [4](#)]

-

- **The Pre-Tribulation Rapture:** To keep Israel and the Church completely separate, Darby argued that the Church must be secretly extracted from Earth (the Rapture) before God could resume His prophetic timeline with Israel during a seven-year period of Tribulation. [[1](#), [2](#)]

-

Global Impact and Legacy

- **Tireless Traveler:** Darby traveled extensively through Europe, New Zealand, Canada, and the United States between 1862 and 1877, preaching his prophetic views to American evangelicals.

-

- **Bible Translation:** He was a brilliant linguist who translated the entire Bible from its original languages into English (The Darby Bible), French, and German.

-

- **Lasting Footprint:** While his movement eventually split into factions due to his strict, unyielding leadership style, his theological system was adopted by American teachers like D.L. Moody and Cyrus Scofield, cementing his ideas into the fabric of modern Western evangelicalism. [[1](#), [2](#), [3](#), [4](#), [5](#)]

If you are interested, we can explore:

- How Darby's views directly shaped **modern Christian Zionism**

CHRISTIANS HAVE BEEN LIED TO CONTINUALLY AND I DO NOT LIKE IT. I WORRY ABOUT THEM

NELSON DARBY ZIONIST IMPUT INTO THE CHRISTIAN MOVEMENT

1. The Father of Modern Christian Zionism

For nearly 1,500 years, the dominant view in mainstream Christianity was **Replacement Theology** (Supersessionism), which taught that the Christian Church had permanently replaced the Jewish people as God's chosen nation. Darby completely revolutionized this paradigm. [[1](#)]

- **The Israel/Church Dichotomy:** Darby argued that God has two completely distinct groups of people with separate origins, responsibilities, and eternal destinies. Israel is God's *earthly* people, while the Church is His *heavenly* people. [[1](#), [2](#), [3](#), [4](#)]
 -
 - **The "Parenthesis" Church Age:** According to Darby, when Israel rejected Jesus, God temporarily paused His prophetic timeline for the Jews. The current Church Age is merely a temporary "parenthesis" or interruption. [[1](#), [2](#)]
 -
 - **Prophetic Re-establishment:** For God to fulfill His Old Testament covenants with Abraham and David, Darby taught that the Jewish people **must return to the Holy Land as a literal nation-state**. [[1](#), [2](#)]
 -
 - **The Political Catalyst:** Darby brought these ideas to America during seven extensive preaching tours between 1862 and 1877. His theology planted the ideological seeds for what is now [Christian Zionism](#)—a powerful political movement of Christians who staunchly advocate for the geopolitical state of Israel based on biblical prophecy. [[1](#), [2](#), [3](#)]
 -
-

2. The Specific Scriptural Timeline

Darby was a brilliant linguist who translated the entire Bible. He did not view his ideas as "new" but claimed they were the result of a strict, literal interpretation of Scripture. To build his Pre-Tribulation timeline, he pieced together three primary biblical pillars: [[1](#), [2](#), [3](#), [4](#)]

- - **Daniel's 70th Week** ([Daniel 9:24-27](#)): The prophet Daniel speaks of "seventy weeks" (eras of time) decreed for the Jewish people. Darby argued that 69 weeks were fulfilled up to Christ's crucifixion, leaving a final "7th week" (7 literal years) unfulfilled. He claimed this final week is the future global Tribulation.
 -
 - **The Extraction** ([1 Thessalonians 4:17](#)): Because Daniel's 70th week belongs strictly to the Jews, Darby argued that the Christian Church cannot be present on Earth for it. Therefore, Paul's writing about believers being "caught up... in the clouds to meet the Lord in the air" must be a secret rescue mission that happens *before* the 7-year countdown begins.
 -
 - **The Restrainer** ([2 Thessalonians 2:7](#)): Paul writes that the "man of lawlessness" (the Antichrist) cannot be revealed until "he who now restrains" is taken out of the way. Darby interpreted the "Restrainer" as the Holy Spirit indwelling the Church. Thus, the Church must be physically removed from Earth before the Antichrist can rise to power. [[1](#), [2](#), [3](#)]
-

3. The Bitter Splits of the Plymouth Brethren

While Darby preached unity and rejected formal church denominations, his iron-willed, rigid leadership style ultimately fractured his own movement into bitter rivalries. The grand fracture occurred between 1845 and 1848 over two primary issues: [[1](#), [2](#), [3](#)]

- **The Clash with Benjamin Wills Newton:** Newton was a highly respected leader in the Plymouth assembly who openly disagreed with Darby's new Pre-Tribulation Rapture timeline. Darby fiercely attacked Newton, accusing him of "spiritual dominance" and later declaring some of Newton's writings on Christ's humanity to be heretical. [[1](#)]
 -
 - **The Bethesda Dispute:** When a prominent Brethren church in Bristol (the Bethesda chapel, led by famed orphan-house founder George Müller) refused to formally excommunicate anyone who had ever associated with Newton, Darby reacted aggressively. He ordered a complete boycott of the church, refusing to allow any Bethesda member to take communion with his followers. [[1](#)]
 -
- This authoritarian stance permanently divided the movement into two distinct camps that exist to this day: [[1](#), [2](#)]
1. **The Exclusive Brethren (Darbyites):** Highly disciplined, tightly knit, and insular churches that followed Darby's strict standards of excommunication and theological purity.
 - 2.
 3. **The Open Brethren:** More congregational, autonomous churches (including Müller's) that maintained lower barriers to membership and rejected Darby's centralized authority. [, [2](#), [3](#)]

The theory you are referring to is the [Pre-Tribulation Rapture](#), which critics frequently label a "**false doctrine.**" While the concept of believers being "caught up" (raptura in Latin) comes from [1 Thessalonians 4:17](#), the specific idea

that this happens **secretly and prior to a seven-year period of global Tribulation** was systematized and popularized in the 1830s by [John Nelson Darby](#), an Anglo-Irish theologian and founder of the [Plymouth Brethren](#). [[1](#), [2](#), [3](#), [4](#), [5](#)]

The arguments surrounding why many theologians consider Darby's Rapture theory to be false, along with its historical background, include the following:

Why Critics Reject Darby's Rapture Theory

- **Historical Novelty:** For the first 1,800 years of Church history, mainstream Christian theology focused on a single, visible Second Coming of Christ. Mainstream Catholicism, Eastern Orthodoxy, and early Protestant Reformers never taught a two-stage return (a secret evacuation followed by a public return years later). [[1](#), [2](#)]
-
- **Grammatical Context:** Texts like [Matthew 24:40](#) ("one will be taken and one left") are often used to defend the Rapture. Critics point out that in the context of Noah's flood (the preceding verses), the ones "taken" were actually swept away in judgment, while the faithful were "left behind" safely on earth. [[1](#), [2](#), [3](#)]
-
- **The "Last Trumpet":** Paul states in [1 Corinthians 15:52](#) that believers are changed at the "last trumpet". Critics argue a trumpet cannot be the "last" if an entire seven-year tribulation with subsequent judgments and more trumpets happens afterward. [[1](#)]
-
- **Escapist Theology:** Detractors argue that Darby's theory promotes an unbiblical framework where the Church avoids suffering. Historically, scripture emphasizes enduring tribulation and overcoming persecution rather than escaping it via a sudden evacuation. [[1](#), [2](#), [3](#)]
-

How the Theory Spread

Darby integrated the Pre-Tribulation Rapture into a broader theological framework called **Dispensationalism**, which divides human history into distinct eras of God's administration. Though highly controversial in Europe, the theory gained massive traction in North America through several catalysts: [[1](#), [2](#), [3](#)]

1. **The Scofield Reference Bible (1909):** Cyrus Scofield published a study Bible featuring Darby's dispensational footnotes alongside biblical text, leading millions of readers to mistake the theory for actual scripture. [[1](#), [2](#), [3](#), [4](#)]
- 2.
3. **Evangelical Institutions:** Institutions like Dallas Theological Seminary embedded this theology into their core teachings throughout the 20th century. [[1](#)]
- 4.
5. **Pop Culture:** The theory became deeply ingrained in modern American evangelical culture through bestselling media, such as Hal Lindsey's book *The Late Great Planet Earth* (1970) and Tim LaHaye's *Left Behind* novel series (1990s). [[1](#), [2](#)]
- 6.

Alternative Viewpoints

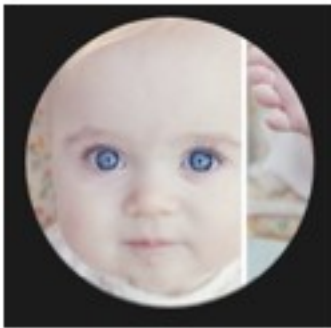

To counter Darby's model, theological scholars point to three alternate eschatological frameworks:

- **Post-Tribulationism:** The historical view that Christ returns once at the very end of the Tribulation, gathering His Church to meet Him in the air as an escort down to earth. [[1](#), [2](#), [3](#), [4](#), [5](#)]
-
- **Amillennialism / Postmillennialism:** Frameworks common in Reformed, Catholic, and Orthodox tradition that view the End Times prophecies symbolically rather than as a literal timeline of upcoming geopolitical events. [[1](#), [2](#), [3](#)]
-

- **Pre-Darby Continuity:** Conversely, defenders of Darby argue that he did not invent the doctrine from scratch. They claim that early church figures like Ephraim the Syrian (4th century) or later essays like Morgan Edwards' (1744) showed early traces of Pre-Tribulation thought long before the 1830s.
